Training we offer:

- ASC awareness-raising training (one to two hours)
 - Insight into Autism and DARTS (an approach to ASC and challenging behaviour)
- Bespoke half day or full day training or equivalent around general or specific aspects of ASC, delivered to whole staff teams
- Places for key staff on one-day courses:
 - Insight into Autism and DARTS (an approach to ASC and challenging behaviour)
- Places for key staff on one-day courses:
- Places for staff on other specific training courses, as relevant
- Access for key staff to accredited courses
- Awareness raising sessions for pupils, other service users and parents.

Over the last ten years we have provided ASC-specific support to Local Authorities, schools, and other services and have successfully undertaken training courses for numerous organisations and individuals.

"I've really enjoyed the day. A comprehensive overview of the autism spectrum delivered in a variety of ways. I appreciated the vast knowledge shared, with so many examples."

Course delegate, Insight course.

"We are very grateful to you for the amount of support you offered to us. Your input gave us very clear guidance and very important strategies. You also helped us through some difficult times."

Head of a service receiving consultancy from the Inscape Centre.
