## What is the It's a Knockout Challenge?

Now in it's 11th year, the event has become a firm favourite with teams of local supporters, businesses and community groups who compete head to head against the forces of foam on an inflatable battlefield!

Based on the famous television series, this is an event for teams of six to ten people. All entrants must be over the age of 18 and in good health.

The challenge takes place at the Together Trust campus on Schools Hill, Cheadle SK8 1JE on Saturday 23rd June 2012.

The It's a Knockout Challenge is run by a professional company with all the appropriate health and safety measures in place. You will be given a safety briefing before the event and looked after throughout the challenge by a Knockout coordinator ensuring you have a safe and fun afternoon. However we can't guarantee that you'll stay dry!

“

**Taking part and raising funds was not only a great team building exercise but also on the day it was a fantastic family fun day out which staff, family and friends were talking about for weeks - and all for a great cause.**

**I can't recommend taking part highly enough you really will enjoy every minute!**

## Supporting the Together Trust

The Together Trust would like to invite you to take part in this year's It's a Knockout Challenge. Whilst raising money for a great cause, it's a fun-packed opportunity for team building and networking with other companies or community groups – or to challenge a rival!

The Together Trust is a charity that has been operating for over 140 years. We believe everybody deserves an equal chance in life. There are no exceptions. This includes those with behavioural challenges, learning difficulties, physical disabilities, complex health needs and autism spectrum conditions.

By providing specialist education, care and community services to children, young people and adults the Together Trust aims to do everything in its power to meet the needs of thousands of children, young people and adults in the North West and beyond.

All net proceeds from this event will be used for the direct benefit of the people we support. It will enable us to purchase equipment and provide services to help people break through barriers and take control of their lives.

## How do I get involved?

If you would like to enter a team, please complete and return the form overleaf or contact us if you would like to know more before you book. It's that simple! A fantastic day for you and your team with funds being raised for a great cause - just contact us!
