the Together Trust

Together we can make a difference

The Together Trust is a charity that has been operating for over 140 years. We believe everyone deserves an equal chance in life and everyone has the ability and right to experience joy, safety, happiness and hope. By providing specialist education, care and community services to children, young people and adults the Together Trust aims to do everything in its power to make that happen.

Every penny donated by individual supporters is used for the direct benefit of our service users. It purchases equipment and enables us to set up and run services and activities which help people to break through barriers and take control of their lives. If you would prefer to donate to something specific, contact the Fundraising Team for details of current funding projects. Using this form you can make a single gift or set up a regular gift by Direct Debit. Whatever you can afford will make a difference.

Thank you for your support.
