## About the Music Festival

Inscape House School in Salford (operated by the Together Trust, one of the North West's oldest and largest children's charities) is hosting a leading music extravaganza. Talented pupils perform from special schools across Greater Manchester and Cheshire. The Inscape Summer Music Festival is held at The Lowry, Salford on 29th June 2011.

This event will mark the 9th anniversary of the Inscape Music Festival – its first performance was at Inscape House School, Salford in 2003.

This year, pupils from 16 special schools will have the opportunity to perform contemporary music and songs in a professional concert setting.

The concert will showcase a selection of songs including 'We've all got something to give' a specially composed song by Peter Adamson, Music Coordinator at Inscape House School Salford.

The concert provides the ideal opportunity for members of the public, as well as families, to listen to the musical talents of young people with a choice of two different shows.

Helen Hewitt, Director of Educational Services for the Together Trust said:

*"The pupils have worked very hard to prepare for the Inscape Summer Music Festival and are extremely enthusiastic and excited about performing live on the day. This is a great opportunity to showcase their talents at such a high profile venue in Manchester. It will be a day to remember for everyone concerned."*
