

These are the exciting things I will be studying this half term...

English

This half-term, students will be developing their **non-fiction writing skills** — specifically **transactional** and **persuasive writing**.

Students will be exposed to a wide range of non-fiction writing forms and the techniques that are used within each.

It will challenge students to think persuasively and consider how to craft an argument, respond to polemic statements, incorporate elements of form and intentionalise SPaG usage.

Science

We will be studying:

- What are pathogens?
- How our body defends itself against diseases
- Understand how vaccinations work

We will also look into:

- Nervous System
- Endocrine System
- Reproduction System

Maths

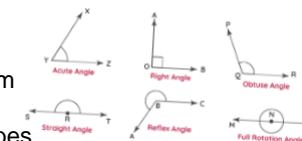

Entry Level Certificate

- Ratio
 - Using real life contexts
- Money
 - Using real life contexts
 - Conversions

GCSE:

- Algebra
- Calculating Angles from
 - Straight lines
 - Different shapes
 - Parallel lines

Options 1
