Pres by the Secretary

"These Homes are based upon Christian principles, they are managed by practical methods, and are doing a great work for all the Churches. They are doing the work of ten Societies, and are in danger of only receiving the support of one."—THE LORD BISHOP OF MANCHESTER at the Annual Meeting, 1892.

SUMMARY OF ANNUAL MEETING.

The twenty-sixth Annual Meeting of the MANCHESTER AND SALFORD BOYS AND GIRLS' REFUGES AND HOMES AND CHILDREN'S AID SOCIETY was held in the Town Hall, Manchester, on Monday, March 23rd, 1896.

The Lord Mayor took the chair at 3 o'clock. Amongst those present were the Rev. John Watson, D.D., Samuel Smith, Esq., M.P., C. E. Schwann, Esq., M.P., Hy. Lee, Esq., J.P., Alex. Forrest, Esq., J.P., Robt. Barclay, Esq., J.P., W. H. Holland, Esq., J.P., W. J. Crossley, Esq., Rev. Preb. Macdonald, Rev. Robt. Catterall, Rev. Samuel Pearson, Rev. Wm. Young, Rev. Canon Hicks, and Mr. Councillor Fildes.

Letters of apology for non-attendance were announced from The Bishop of Manchester, The Marquis of Lorne, The Earl of Ducie, The Earl of Derby, Sir W. H. Houldsworth, and others.

The Rev. William Young offered prayer.

The Annual Report and Balance Sheet were presented. The Hon. Sec., Mr. Leonard K. Shaw, gave a summary of the Report, and an abstract of the Financial Statement was read by the Hon. Treasurer, Mr. Henry Charlton.

It was then moved by Samuel Smith, Esq., M.P., seconded by C. E. Schwann, Esq., M.P., and supported by the Rev. Robt. Catterall, and resolved:—

"That the Report together with the Financial Statement be adopted, printed, and circulated under the direction of the Committee."

It was also moved by Rev. Dr. Watson, seconded by the Rev. Samuel Pearson, and resolved:—

"That the Committee for the ensuing year be Messrs. William J. Crossley, John Thomson, Richard B. Taylor, James Boyd, Thos. R. Ackroyd, Alfred Haworth; the Honorary Secretary, Leonard K. Shaw; the Honorary Treasurer, Henry Charlton; and the Auditors, Messrs. Theodore Jones, Crewdson, and Youatt."

A vote of thanks to the Lord Mayor closed the proceedings.

In little faces pinched with cold and hunger,
Look, lest ye miss Him! In the wistful eyes.
And on the mouths unfed by mother kisses,
Marred, bruised, and stained, His precious image lies!
And when ye find Him in the midnight wild,
Even in the likeness of an outcast child,
O wise men, own your King!
Before this cradle bring
Your gold to raise and bless,
Your myrrh of tenderness!
For, "as ye do it unto these," saith He,
"Ye do it unto Me."

TWENTY-SIXTH ANNIVERSARY.

ANNUAL REPORT

OF THE

MANCHESTER AND SALFORD

Boys and Girls' Refuges and Homes,

AND

CHILDREN'S AID SOCIETY,

FOR THE YEAR 1895.

IN presenting the Twenty-Sixth Report of the Manchester and Salford Boys and Girls' Refuges and Homes and Children's Aid Society, the Committee are thankful to record, and they are sure the subscribers and friends of the Institution will be glad to know, that numerous as are the branches of the work, and extended its organizations, each branch is in healthy and active operation and fulfilling the end for which it was established.

It will not be necessary on this the Twenty-Sixth Anniversary to give a detailed account of the various branches, meeting as they do the needs of almost every description of child destitution and misery which exist amongst us; suffice it to say that

on; *The Seven Family Homes* for Orphan Children, Boys and Girls; *The Working Lads' Home and Institute*; *The Brigade Boys' Home*; *The Emigration Training Homes* for Boys and Girls; *The Open-all-Night Shelter* for little wanderers; *The Girls' Domestic Service Training Home and Laundry*; *The Bethesda Home* for Crippled and Incurable Children; *The Sea-side Home* for weak and ailing children; *The Summer Camp*,—June to Sept.—for Poor City Boys; *The Day Nursery* for the children of poor working Mothers; *The Police Court Mission* to Lads

and Girls; *The Prison Gate Mission*; *The Emigration Department* with its two established agencies in Ontario and in the North West Territory; these are all in active operation to day, and by their means (not counting the numbers aided by the Messenger Brigade, the Day Nursery, and the Prison Gate Mission, as they do not dwell under our roof) a total number of **2,787** children have been dealt with and helped on life's way, during the year.

The principles which lie at the foundation of the Institution, and which have guided the Committee in the conduct of the work, from the beginning until now, are

First.—To receive only practically homeless and destitute children.

Second.—To receive such at once without the delay and expense of election, and irrespective of creed.

Third.—To give to each one thus admitted a sound, mental, religious, and industrial training, and so fit them for a life of honest labour.

Coming now to the details for the past year:—The fresh applicants for admission to our permanent homes numbered **521**, of whom 396 were boys and 125 girls.

Of these there were under 10 years of age ...	82	} 521
„ „ „ 10 years and over ...	439

„ One parent living ...	222

Educationally their condition was as follows:

which as far as these figures go show that the education

of our poorest classes is not improving; the number of entirely ignorant children among those with whom we deal, having increased as compared with last year nearly five per cent.

These **521** cases were all carefully investigated with the following results.

Declined as unsuitable	90	} 521
Referred to other Institutions	31	
Restored to friends	27	
Received temporary help	89	
Permanently admitted, being quite destitute or in grave moral danger	284	

Adding these **284** thus permanently admitted, to the **430** in the Refuge and Homes when the year began, we have a total of **714** under care and training during 1895.

The results concerning them at the year's close were as follows:

Placed in homes in Canada...	103
Placed with their friends	92

A few words in explanation of each division of the work will be expected by new friends, and we trust will not be unacceptable to old ones.

continues the head-quarters of the work, here are the offices, and here come nearly all the applicants in the first instance, except those that are brought to the Open-Day and-Night Shelter in Chatham Street. As stated in last year's report it is now a very complete home for working boys and school boys, and it is well fitted in all respects for carrying on the important work of which it is the centre. The Dormitories are bright and airy, the Workshops well equipped and active, the new Reading, Writing, and Games room, very popular, as is also the Swimming Bath, and Play Ground. Notwithstanding that the boys are busy at work or school all day, Classes and Meetings are held in the evening for Wood Carving, Musical Drill, Bible Class, Temperance Meetings, Lantern Lectures, Night School, etc., and are engaged in with real zest, not by any means as an irksome duty; these share with the

Band Room, Hand-Bell Ringing, and Fire Brigade Practice, the boys' hours of relaxation.

The health throughout the year has been good, still we have to deplore three deaths. The conduct has been excellent, remembering the class of boys dealt with, with many of whom every other reforming agency has failed, and that we are not armed with compulsory powers, (of which the lads are quite aware), and the large amount of freedom allowed; the order observed, and the good feeling shewn, reflects infinite credit upon the excellent Superintendent and his wife, and the assistants who so loyally co-operate with them.

five in number, viz : *Shoemaking, Tailoring, Joinery, Letterpress Printing, and Firewood Making*, form an important part of the Central Refuge. These have been kept fairly well occupied throughout the year, they are each under the care of an experienced Foreman, and together give employment to 70 of our boys. After paying boys' and foremen's wages, and also bearing their share of

working expenses, there has been a net profit of £199. 9s. 3d., which has been added to the funds of the Institution.

The other Homes comprising the Strangeways group are

The Working Lads' Home and Institute
which is composed of young fellows, the majority of

whom have passed through the Central Refuge, and who are employed in various workshops and warehouses of our city, but who still need the protection of a safe and comfortable home. A change during the year in the Master and Matron of this Home has been attended with very satisfactory results which the Committee trust will be permanent. The Evening Classes here continue well attended, and an excellent spirit prevails.

The Brigade Boys' Home.

where the Shoe Black Brigade and other boys dwell, has pursued its course of quiet usefulness throughout the year. Most of the boys admitted fresh from the streets get their first impressions of the work at this Home.

The Boys' Emigration Training Home

has been fairly active during the year, and has received and trained a large family for the Canadian life which they have chosen and to which they will shortly go, under the care of Mr. and Mrs. Wallace.

We now leave Strangeways and visit

The Cheetham Hill Group of Homes.

These are nine in number, forming a little Colony, where about 200 children and helpers dwell. They are situated in George Street, Cheetham Hill, adjoining Broughton Park, and should be visited by all who desire to form a just estimate of the extent and variety of the work. They comprise

each vacancy as it arose being at once filled by waiting cases. They are named after the donors, and are :

The Langworthy Home
The Garnett Home
The Crossley Home

The Higgins Home
The Atkinson Home
School Girls' Home

Eighteen children, the mother, and a young helper, compose each household, wherein a very true family life is lived : also

The Rosen Hallas Girls' Training Home and Laundry

which has been a busy hive of industry throughout the year, girls both for emigration and for home domestic service are received here, and are given an excellent training in all household and laundry work, the elder girls doing the washing and laundry work for all the Cheetham Hill Homes.

The chief importance, however, of the work of this Home is found in the fact that it receives girls from the very worst surroundings, many of whom are on the brink of ruin: on this point we dare not go into details, we could tell facts which would indeed be stranger than fiction, enough to know that marvellous changes have been, and are being wrought, by God's blessing on the faith and patience, the love and care of Miss Smethurst and her valued helpers : also

The Convalescent Cottage

which is in the Rosen Hallas ground and has fully justified its existence, being well filled with weak and

ailing ones from the adjoining Homes during the year : And finally

The Bethesda Home for Crippled and Incurable Children

which, as our readers know, is set apart for the relief of the most suffering of all God's suffering ones. Its beneficent object being declared to be—"To *provide* for *crippled, maimed, paralysed, and generally incurable* poor children whose cases are unsuitable for the ordinary hospitals of the district." With such this beautiful Home has been well filled throughout the year. Nineteen of the cots are endowed, and bear on a pretty brass shield placed over the cot, its name, or that of the donor. Seventeen are still unendowed, and the Committee will be glad to hear from any friends who desire by the gift of £500, thus to perpetuate the memory of some loved member of the family.

Returning from Cheetham Hill to the centre of the city we come to the

Open Day and Night Shelter,

1, CHATHAM STREET, PICCADILLY.

which has again proved itself one of the most useful and important departments of our work. To have in the centre of a great city such as ours, a well appointed house with doors open day and night, for the reception and care of homeless, destitute, wayward, and suffering children of all ages, is of itself a most important fact, and one that appeals at once to the judgment and

feelings of all who know the conditions of life in our centres of population.

The figures for the year shew that **450** young people between the ages of three and eighteen were received here during 1895, of whom **101** were brought in by the police and others, between 10 o'clock at night, and 4 o'clock in the morning.

The beds were occupied **2,044** times, and the number of meals supplied was **6,041**.

The chief authorities of our city have used the Shelter largely. Instead of taking juveniles to the "lock-ups," in preparation for the Police Courts next morning, the police have brought **109** such cases to Chatham Street, thus sparing the young people the association and frequent contamination of a night in the police cells. So with the school board officers, who for safe keeping, without contamination, have brought us **66** of their court cases. But it is as an immediate rescue home for poor wandering boys and girls (the latter up to 18), who from various causes find themselves helpless, homeless, and exposed to terrible temptation on our streets, that the chief, almost untold, value of the Shelter is found. **97** girls of from 12 to 18 years, in these circumstances, have been received here during the year, many of whom now filling positions of usefulness and trust, have cause to thank God for this "ever open door."

"I saw the red lamp, and found the door open, so I went in," was the remark just recently of one poor girl, a type of many others, to whom the Shelter proved "a door of hope," into a new and better life.

It proved such also to M.W., a fine strong girl of 17, who applied telling a strange story of ill-usage and wandering through various parts of Lancashire. She arrived here utterly friendless and penniless, and investigation shewed that she had escaped from very dangerous surroundings in a neighbouring town. Fatherless and motherless, with a violent temper and a strong unruly will, the future for M. looked indeed dark, but though she lost from these causes the first place we obtained for her, we gave her another chance.

Miss Smethurst's last report of M. is "she has now held her second situation for 12 months, and though temper is still the trouble, thank God she is overcoming it."

So with C.E., a good looking girl of 16, who reached us with as doubtful a character (short of absolute ruin) as any girl we ever admitted. She applied one evening in utter destitution at the Shelter. It took a considerable time to unravel a story which, both on the other side of the channel and on this, was one of deceit and lying, relatives and friends absolutely refused to have anything more to do with her.

Nine months have gone by, nine months of earnest, patient, prayerful training, with the result that E has now been three months in a situation, needing it is true, constant watchfulness, "but *fighting manfully against the old habits.*"

B.B. was in some respects a similar case, except that instead of being strong and good looking, she was a poor starved, miserable looking object. Brought up in a public house, at 16 she was found to be dishonest, pilfering money in the bar, and at once dismissed.

Every door was shut against her but one. With many misgivings she was admitted there. She has kept her promise of amendment if a last chance was given her, and she is now, the Matron writes,— "a fine, healthy, useful girl, often trusted to go errands with money in her hand, trust she has never betrayed."

We hardly know whether we dare tell of another :

X.Y., who at eighteen years of age came to our Open Door. Tall, good looking, giving false name, and with a story made up in all particulars to prevent identification; we never had such difficulty in unravelling a case, but we now know the truth, which is indeed stranger than fiction; saved from self-destruction, which she

attempted shortly before coming to us, she will 'ere long go forth to a new land, and in days to come we may tell the sequel of a story we cannot say more of now.

Do our readers say "These are all successes, have you no failures?" Yes we have, we could tell you of M.E.K., who came "almost lost" to us from the lodging houses in Angel Meadow. She was one we admitted with fear and trembling, lest she had gone too far for reclamation, but for four months she gave such tokens of steadiness and contentment, that at her own earnest desire, she was included in our Canadian party, but alas, in an evil day, a few weeks ago, a mother and sister came to see her. We know not what passed, but within a week M had gone! gone we fear to swell the number of "the lost," of our city.

But we thank God these are the exceptions, did time and space allow we could fill pages of similar cases to the foregoing. In each of them the Rosen Hallas Home has been the needed complement of the Shelter, and as we have spoken with thankfulness of the work of the former, we more than ever, as we reflect on the past year, recognise the importance of the latter.

The Sea-Side Home,

2, WARTON STREET, LYTHAM.

This bright and happy Cottage Home has received 189 weak and ailing city children during the year, whose average stay (except in a few special cases) has been about 14 days. It has been a real joy to see these pale faced ones returning with roses in their cheeks, testifying to the good air and good care, at the Lytham Home.

The young members of the Band of Kindness have for some years supported three cots, named respectively, the *Daisy*, the *Lily*, the *Forget-me-not*; then the *Catherine*, the *Wollaston*, and the *Bowdon Downs* Cot, are also supported

by special friends. The annual cost of a Cot is £16. The cost of Endowment £500.

Visitors to Lytham are invited to see this Home.

The Summer Camp

was again pitched at Southport. As its name indicates it is held in the Summer months only, but during that period it has given a week's healthy and happy holiday to 1,461 boys from the poorest parts of our city. Much practical sympathy was shown by many Southport residents, and the Manchester friends, who have for many years given valued assistance to this branch, have again laid the Committee under many obligations.

The Day Nursery,

CARRUTHERS STREET, ANCOATS,

continues to fill a useful place in our network of organizations. There has been 2,979 attendances of little children during the year, who have been provided and cared for while their poor mothers have been at work. The fees paid amounted to £22 15s. 3d.

The Messenger and Parcel Brigade,

1, CHATHAM STREET, PICCADILLY,

has had an active and useful year's work, and has been the means of lifting a number of poor boys from the streets, into regular and permanent employment.

The number of boys employed	178

Applications for boys should be made to the Superintendent, Mr. Jones, at the above address.

The Police Court Mission to Lads and Girls.

Each morning our officers attend the Police Courts, to render what assistance may be possible to those brought up there, chiefly as first-offenders. 37 such cases have been referred to our officers by the presiding magistrate, and have been either restored to friends, provided with employment, or taken to our Homes as their cases required.

The Prison Gate Mission.

We are glad to report a smaller number of discharged prisoners, than for many years past. Each morning our officers have attended at the gate, to invite those leaving gaol to the simple breakfast.

We record with sorrow the removal by death of Mr. W. Eadson, who for some years devoted himself to this work, with a love and zeal, which Christ alone could have inspired. His genial face and tender sympathetic manner will be much missed at the Prison Gate. We are glad to have his widow working with us, and as far as may be, filling the vacant place.

Emigration.

'Ere we close, the Emigration branch of our work demands a few words. A reference to our statistics shews that we sent 103 boys and girls to Canada during 1895,

all of whom have been placed with Canadian farmers, in homes carefully selected by our excellent friends, Mr. and Mrs. Wallace, who devote their lives to this work of blessing.

We have now been the means of placing over 1,000 poor children in new homes in the West, and on no branch of their work do the Committee reflect with greater thankfulness. They desire that the principles which have from the beginning guided them should be widely known.

First.—The children who go. Only those who are sound in health, and who bear a good moral character, preference being always given to that large class who, while hopeful in themselves have bad surroundings, and who if they remain here are in danger of drifting down, and eventually swelling the pauper and criminal ranks.

Second.—The homes to which they go. Those of carefully chosen farmers or tradesmen, whose character and respectability are vouched for by a Justice of the Peace, and a clergyman or minister.

Third.—Regular Visitation and Report. After the children are thus carefully placed, they are not left uncared for, Mr. and Mrs. Wallace have a staff of visitors always at work, visiting among them, advising if any change of place is desirable, and regularly reporting to Manchester. Emigration thus conducted we hold to be a gain both to this country and to Canada:—to England—because those sent are saved from lapsing into the class from which

they have been rescued and the country is relieved from a surplus population which is making the struggle for life every day more fierce:—to Canada—because under the new conditions they grow up into honest, industrious, men and women, and a strength to the colony which has received them.

In addition to our old established connection with Mr. and Mrs. Wallace at their Distributing Home Marchmont, Ontario—the garden of Canada—we have during the past year opened an agency in the great and growing North West, at Grenfell, Assiniboia, to which district we have already sent a number of elder lads, and where we now have a small receiving home under the care at present of Mr. N. T. Lee, a former Strangeways helper.

This new enterprise is still in the nature of an experiment, but if successful it will be a most useful outlet for lads who had past the age suitable for Ontario, and for whom there was absolutely no opening at home.

We now commend this branch of our work to the sympathy and support of our readers. We know it is not as popular as some other branches, but those who know most of the almost hopeless condition in which thousands of our pauper and vagrant children are growing up on the one hand, and of the practical results of wisely directed Emigration on the other, recognise in it a providential opening which as an element of public safety may not be disregarded.

Finances.

On this subject we say little here, the very full financial statement of the treasurer, which is appended, speaks for itself. We are thankful to record that the year's income has rather more than met the year's expenditure, so that the debit balance of £1,213 19s. 5d. with which we began the year has been reduced to £1,139 12s. 7d. at the close.

This, however, has not been accomplished without the application of legacies received during the year to our general maintenance account, without which our indebtedness would have been seriously increased. As such exceptional income cannot be depended on we would again remind our friends of the importance of increasing our regular income by increased and additional subscriptions. The total income on maintenance account for the year was £12,841 8s. 1d., of this amount £10,387 19s. 4d. was received from voluntary contributions, the balance £2,453 8s. 9d., or nearly one fifth of the whole, being the earnings of the children and profit on their work, a valuable testimony to the principle of self-help which is inculcated.

During the year special amounts have been received for the endowment of four cots at Bethesda and towards the maintenance of the Orphan Homes.

During the year the Committee felt it desirable to make a change in the Magazine, which had for many years been the organ of the work. A diminishing circulation shewed the difficulty of combining general

information with that special prominence which the need of the Strangeways work required. Hence "*The Christian Worker*," which has done such excellent service in days gone by, has given place to "*The Children's Haven*," which has been well received by the subscribers, and which we commend to the friends of the Institution everywhere.

The Committee cannot close this brief and very imperfect account of the past year's work without placing on record their deep sympathy with their late colleague, Mr. Gilbert R. Kirlaw, in the charges made against him; which led him, in the interests of the institution, to place his resignation in their hands. The same motives which led him to make this sacrifice led the Committee to accept it, and in now taking leave of this painful subject, they can only pray that his long and disinterested devotion to the cause of the children, and his consciousness of the purity of his motives, may bring its own reward in the days and years to come.

Closing Words.

And now the Committee send forth this twenty-sixth report not only as a record of the past, but also as a plea for the future. They record with thankfulness that recent legislation has all been in the direction of remedying evils to which former reports have called attention; but while our excellent School Boards and other educational authorities are giving effect to that legislation, much of the good results which should follow is being lost by the large amount of juvenile

idleness which still exists. There is no doubt that large numbers of young people on whom the ratepayers money has been spent, when the school period ends drift on to the streets; mainly because no provision has been made during that period to teach them the use of tools, or some handicraft whereby they may gain a livelihood; we seem to have ignored the fact that our poor children have hands as well as heads, and that it is by means of the former rather than the latter that they are to live in the future; juvenile *idleness* is as great a danger to the state as juvenile *ignorance*, and we trust the day is not far distant, when effective, if necessary compulsory, steps will be taken to prevent the vast expenditure of the Elementary Education Act from being to some extent wasted.

They also would express the hope that if juvenile street hawking cannot be abolished entirely, that at least it should be under the best possible regulations and control, and this they believe would be obtained by each one deemed suitable to follow this dangerous calling having a license and wearing a neat badge, which might be withdrawn on misconduct. They trust also that means will be provided which will save Corporation By-Law Offenders from being brought up at Police Courts. It is not so in Canada, in these matters the colony is ahead of the mother country.

Our first duty however, is for the large family under our care, this report must plead for them; a large and efficient child saving machinery has been placed in our hands, we want to use it so as to produce the best

possible results. In this we ask the co-operation of our Subscribers, and of those hitherto not among that number. The coming year's work with all its needs is before us, that need is great, for we know that the dangerous classes of the future will come from the neglected, pauper, vagrant children of to day.

To be the means of changing the course of these young lives from deceit and vice, to truth and purity, and from sin to righteousness, is the work to which we of this Institution are called; may we in God's name arise and do it.

LEONARD K. SHAW,

Hon. Secretary.

ADDENDA.

The Committee desire to thank very heartily, the Honorary Solicitors, Messrs. Farrar & Co., and our Honorary Medical Officers, Dr. Boutflower, and Dr. Rodger, also Mr. W. Simms, Hon. Dentist, who have again laid us under a deep debt of gratitude, for their continued important services: also the large staff of voluntary helpers who either as Collectors, Teachers, Members of Working Parties, &c., have aided the work with most loving and faithful service.

We owe very warm thanks to our many friends at Lytham and Birkdale for their continued practical sympathy with our Sea-Side Home and Summer Camp; and also to the ladies who carried to a successful issue, the Annual Sale of Work, with its important pecuniary aid to the Institution.

We also desire to acknowledge with gratitude the devotion of our regular staff, upon whose loyal co-operation so much of the success of the work depends.

MEDICAL REPORTS.

(CENTRAL REFUGE AND GREAT DUCIE STREET HOMES).

In recording our Medical Report for the past year, I have to state that we have lost three boys by death, a most unusual occurrence; one from Rapid Consumption at the Refuge, one from Typhoid at Monsall, and one from acute Peritonitis at the Salford Royal Hospital.

I must also state that we have had a rather troublesome outbreak of Ophthalmia for the first time, and it is a very difficult complaint to eradicate. It seems to have pervaded the whole district, and is by no means confined to our Institution; otherwise the health of the inmates of all the Strangeways Homes has been excellent.

The condition of the buildings, sanitary arrangements, clothing and dietary are all that could be wished.

ANDREW BOUTFLOWER,

February 25th, 1896.

(Honorary Surgeon).

(CHEETHAM HILL HOMES).

During the last year four hopeless little sufferers at "Bethesda" Home, have been called home.

At the other Homes at Cheetham Hill, three more deaths occurred from causes that proved incurable, in spite of all the love and attention of the different mothers.

Apart from these serious cases the condition of the children generally, in the different Homes has been remarkably healthy, as evidenced by such a number of rosy faces as will compare favourably with the children of many private homes.

HOW TO HELP THE WORK.

Write to the "Secretary," Francis Street. Strange-ways. for a

COLLECTING BOX

and collect what you can by December 31st. We have very pretty boxes.

Or if you prefer,—

ASK FOR A COLLECTING CARD

and one will be sent by post.

If you think you can collect £15 to support a child, or £10 to cover the Emigration expenses of one child, write to the Secretary, and he will send you the photograph of one. It would be a happy thing to feel that you were thus the means of the rescue of "one such little child."

Or, send us any article that you can spare, and that can be turned into money for the benefit of our work; such as jewellery, pictures, articles of vertu, &c.

Last, but not least; when you see or hear of a poor wretched, neglected child, don't give it a copper and pass on; stay a minute and enquire into the case, and if you cannot bring it to the Refuge, send us the name and address, and the case shall be visited and, if possible, permanently helped.

And, above all, when enjoying the comforts of your own happy home, breathe a prayer for poor homeless children, and for those who are working among them.

LEONARD K. SHAW, *Hon Sec.*

GIFTS.

Donations of Clothing, new or second-hand, or useful articles of any description, will be most thankfully received. As the children, from three to sixteen years of age, both boys and girls, come to us needing everything, there is hardly any limit to the way in which the work can be helped forward.
