"These Homes are based upon Christian principles, they are managed by practical methods, and are doing a great work for all the Churches. They are doing the work of ten Societies, and are in danger of only receiving the support of one."—THE LORD BISHOP OF MANCHESTER *at the Annual Meeting, 1892.*

SUMMARY OF ANNUAL MEETING.

The Thirtieth Annual Meeting of the MANCHESTER AND SALFORD BOYS AND GIRLS' REFUGES AND HOMES, AND CHILDREN'S AID SOCIETY, was held in the Town Hall, Manchester, on Tuesday, March 20th, 1900, at three o'clock.

The chair was occupied by The Lord Mayor of Manchester, (Mr. T. Briggs), who was supported by the Rt. Hon. The Earl of Aberdeen, Ven. Archdeacon Wilson, W. Goldthorpe, Esq., W. J. Crossley, Esq., J.P., Hy. Lee, Esq., J.P., H. T. Gaddum, Esq., John Thomson, Esq., Andrew Boutflower, Esq., Henry Charlton, Esq., Rev. Arthur Parkinson, and others.

The Ven. Archdeacon Wilson offered prayer.

Letters of regret at non-attendance were received from Lord Bishop of Manchester, Rev. Dr. MacLaren, W. H. Holland, Esq., M.P., Mr. F. Platt-Higgins, Esq., M.P., Rev. Chas. Garrett, and others.

The Annual Report and Balance Sheet were presented. In the absence through illness of the Hon. Sec., Mr. Leonard K. Shaw, Mr. W. J. Crossley gave a summary of the Report, which was taken as read, and an abstract of the Financial Statement was read by the Hon. Treasurer, Mr. Henry Charlton.

It was then moved by the Lord Mayor, seconded by the Rt. Hon. The Earl of Aberdeen, supported by H. T. Gaddum, Esq., and resolved:—

"That the Report together with the Financial Statement be adopted, printed and circulated under the direction of the Committee."

It was also moved by the Ven. Archdeacon Wilson, seconded by Hy. Lee, Esq., J.P., supported by Rev. S. F. Collier, and resolved:—

"That the Committee for the ensuing year be, Messrs. W. J. Crossley, John Thomson, R. B. Taylor, James Boyd, and T. R. Ackroyd; the Hon. Secretary, Mr. Leonard K. Shaw; The Hon. Treasurer, Mr. Henry Charlton; and the Auditors, Messrs. Theodore Jones, Crewdson and Youatt.

The Meeting closed with the Benediction.

It is not the deed we do,
Though the deed be never so fair,
But the love, that the dear Lord looketh for,
Hidden with lowly care
In the heart of the deed so fair.

The love is the priceless thing,
The treasure our treasures must hold,
Or ever the Lord will take the gift,
Or tell the worth of the gold
By the love that cannot be told.

Behold us, the rich and the poor,
Dear Lord, in Thy service draw near;
One consecrateth a precious coin,
One droppeth only a tear;
Look, Master, the love is here!

THIRTIETH ANNIVERSARY.

ANNUAL REPORT
OF THE
MANCHESTER AND SALFORD
Boys' and Girls' Refuges and Homes,
AND
CHILDREN'S AID SOCIETY,
FOR THE YEAR 1899.

THE first words in the Annual Report this year of "The Manchester and Salford Boys' and Girls' Refuges and Homes and Children's Aid Society," must be words of happy and hallowed memories, for

THIRTY YEARS AGO the first Refuge Home of the Strangeways Institution was opened in Deansgate, and a work there begun which has continued to flow in ever widening channels of usefulness and blessing as the years have rolled by. At first the enterprise was much spoken of, and was one of the sights of the city to which visitors were brought.

Here was an organization which not only gave relief to the poorest, dirtiest, raggedest, and most abandoned youngsters of the city, but actually opened its doors and took them right in, without resorting to the time honoured method of canvassing subscribers, and of voting; and then in a marvellously short time turning out these same unkempt and uncared for ones well clothed and fed, and fairly well behaved, to earn their living in the stores and workshops of the city; such a thing had not before been known, was new, and decidedly experimental.

Wisdom guided those who began the work, the blessing of God much sought was vouchsafed, and so prosperity followed; and now the newness has passed away, but the work itself remains, the one home with its five and twenty inmates has grown into sixteen homes where permanent families of about 450 children are supported and trained for honest and useful lives.

Amid the various changes which have marked the thirty years, the old subscribers will be glad to know that there has been no change in the principles which lie at the foundation of the work. These are unchanged, they are fixed by Trust Deed, and are as follows:—

“To receive Homeless and Destitute children found in Manchester, Salford, and district.”

“To give immediate admission to such without distinction of creed.”

“To provide such, with suitable food, clothing, and Industrial Training.”

“To educate such in Christian principles, based on the Bible only.”

These are the foundation principles of the work and they guide it actively to-day.

Other organizations deal with the ordinary poor, we reach down to a lower depth, and those who visit the well ordered Homes of the Charity will see that silently but surely influences are at work moulding into good and useful men and women, those who otherwise must have drifted into pauperism and crime.

The Chief Facts of the Thirty Years

may be briefly summarised as follows:—

5465 children, boys and girls, have been admitted to the various Homes.

1278 have been trained, outfitted, and placed in good homes in Canada.

212 boys have been trained as sailors on board the “Indefatigable” Training Ship, the great majority of whom have gone forth to serve their country in the Navy or Merchant Service.

3356 weak and ailing children have been sent to recruit for two or more weeks to the Sea Side Home, Lytham, since its establishment in 1883.

12,810 boys have had a week's holiday at the Summer Camp since its formation twelve years ago.

While over **£50,000** have been earned and contributed by our children towards their own support during the period under review !

A few more particulars concerning these thirty years will, we trust, prove not only interesting, but instructive.

The steady growth of the work will be evidenced by the following figures:—

The number of boys admitted during the first year, 1870, was	110
For the ten years ending December 31st, 1879, the number of boys and girls was ...	1007
For the ten years ending December 31st, 1889, the number of boys and girls was ...	1429
And for the third and last decade December 31st, 1899, the number of boys and girls was	2919

All these were children actually admitted after full investigation of their cases.*

Alongside the steadily growing figures of the numbers admitted during the thirty years, we now place the official figures regarding juvenile depravity and crime as taken from the police reports for the city of Manchester for the same period.

In the year 1870, the first year of this institution, when our numbers were 110, there were just over 1000 boys 10-16 years, brought up at the Manchester Police Court.

The following are the comparative numbers at the end of the three decades.

	Admissions to the Institution.	Before the Magistrates in the last Year of the Decade.
Ten years ending 1879	1007	602
" " " 1889	1429	581
" " " 1899	2919	214

*The total number *dealt with*, which includes the applicants as well as the admissions, and also includes those which in the later years have been sent to the Camp, Sea Side Home, etc., was much larger, reaching 35,707, and represents an amount of work which can scarcely be grasped by ordinary readers.

We are far from claiming undue credit for this remarkable and steady diminution in crime during these thirty years. We know the working of the Elementary Education Act, and of the Industrial Schools' Act, has had much to do with it; but we do claim to have had a good share in contributing to this very satisfactory result, seeing that the ages of the police returns, 10-16 years, shewing the diminution of juvenile crime are the very ages dealt with by this institution, whereas the operations of the Elementary Education Act and the Industrial Schools' Act do not extend beyond 14 years.

There are other points of comparison which are full of interest. *Self-help* has always been a feature of the Strangeways work. From the beginning the boy on entering was taught that if he would not work neither should he eat, and in our primitive days when the only occupation for the rough street boy was chopping old wood, and cleaning dirty boots, Firewood-making and the Shoe Black Brigade were made as much of as possible; but keeping the great principles of "self help" steadily before us, we grew, one workshop after another was added, and the demand from outside employers for our boys increased, and to day we can point to the following record:

During the first ten years, the children contributed towards their own support £14,494 :
 During the second decade the amount reached..... £21,331 :
 During the third decade £24,934,
 Or one-fifth of the total cost of the Institution.

Emigration—Though at no time the largest has always been an important branch of the work.

During the first decade, 1870-79, we placed 40 children in good homes in Canada.

The second decade, 1880-89, we placed ... 420

The third decade, 1890-99, we placed ... 818

Or a total of **1,278** young lives given a fresh start in a new land.

Holidays for Poor Children has had a remarkable development during the later years of our work.

The Sea Side Home at Lytham has since it was opened in 1883 received 3,356 weak and ailing children, chiefly girls, giving them one to four weeks' rest and change. While the Summer Camp for poor boys has given a week at the Sea Side to 12,810. Thus a total of over **16,000** boys and girls who have had their lives and health brightened and strengthened.

Our close proximity to the large Strangeways prison led us to commence in 1887 a **Prison Gate Mission**; chiefly, at first, for the sake of the juveniles who were more frequently committed then than they are to-day. Every morning a little band of workers are at "The Gate" in all weathers, and the discharged prisoners are invited to a cup of coffee and a Christian word at our Mission Hall, with the following result:—

Since the Mission was begun 80,289 men and lads, and 42,072 women and girls, or a total of **122,361** have accepted the invitation. Who can tell where, or to what extent, the seeds of kindness and Christian influence thus sown may not bear fruit.

Bethesda Home for Crippled and Incurable Children.

Of the three decades into which the lifetime of the Institution divides itself, the second was perhaps the most active in development, the following being established in the years named.

Messenger Brigade	1881.
Sea Side Home	1883.
Open Day and Night Shelter	1884.
Summer Camp	1886.
Prevention of Cruelty to Children Branch	1886.
Prison Gate Mission...	1887.
Home for Crippled and Incurable Children	1889.
The last addition was the Home for Neglected and Motherless little Girls added 1897.				

Thus far our facts and figures have spoken of the work of the thirty years. It was felt that such a landmark should not be past without special attention

We now turn to speak of the work of the past year, which must of necessity be done briefly.

The various branches of the Institution are substantially the same as last year, and all are in active operation.

The following is the list—

Extent of the Work.

- 1.—Central Refuge and Industrial Home, Frances Street, Strangeways, the headquarters, to which applicants come, and where Industrial Training is carried on.
- 2.—Home for Working Lads' and Young Men's Institute, Great Ducie Street, Strangeways.
- 3.—Brigade Boys' Home, for Boys of School Age chiefly.
- 4.—Boys' Emigration Training Home, Great Ducie Street, Strangeways.

- 5.—Homes for little Orphan Children, (Boys and Girls), Cheetham Hill—seven in number.
- 6.—Girls' Domestic Service and Emigration Training Home, and Laundry, "Rosen Hallas," Cheetham Hill.
- 7.—Cottage for Convalescent Children, "Rosen Hallas," Cheetham Hill.
- 8.—"Bethesda" Home for Crippled and Incurable Children Cheetham Hill.
- 9.—Home for Neglected Motherless Children, Grove House, Tetlow Fold, Cheetham Hill.
- 10.—Open-all-Night Shelter for Girls and little wanderers, 1, Chatham Street, Piccadilly, City.
- 11.—Sea-Side Home for weak and sickly children, Lytham.
- 12.—Summer Camp for Poor City Boys, Southport.
- 13.—Prison Gate Mission, Great Ducie Street, Strangeways.
- 14.—Police Court Mission to Lads and Girls.
- 15.—Boys' Messenger Brigade.
- 16.—Training Ship, "Indefatigable," New Ferry, Birkenhead, (in connection with).
- 17.—Canadian Branch Homes, Belleville, Ontario, and Grenfell, N.W.T.

At these various branches the work of rescue, restoration, education, training, and finally of placing out in suitable situations, really sending forth on life's way the young lives under our care, is carried on day by day, and by these means we claim practically to meet the needs of every class of juvenile destitution existing in our midst, giving to each case brought to our knowledge the permanent or temporary help which it may require.

During the past year a total number of **2674** children have been dealt with as follows:

Central Refuge, Strangeways has had 160 boys.

Working Lads' Institute has cared for 35 youths filling situations in the city.

Brigade Boys' Home adjoining has had 92 boys.

Emigration Training Home has provided for 46 boys.

Cheetham Hill Homes have had 246 boys and girls, chiefly fatherless and motherless, who are being trained up in family groups.

Bethesda Home for Crippled and Incurable children has had 40 such during the year.

Open Day and Night Shelter in the city has received 520 wandering ones during the year.

Sea-Side Home at Lytham for weak and ailing children has had 227 such during the year.

Summer Camp for boys has given a week's holiday to 1725 poor lads.

Training Ship "Indefatigable" has had in training 8 of our boys.

These figures, large as they are, do not include the Messenger Brigade and the Shoe Black Brigade, as they do not sleep under any of our roofs; by means of this useful branch, however, temporary employment has been provided for 192 boys, of which number, 46 have been drafted into permanent situations.

New Applications during the Year 1899.

During the past year **693** fresh cases were either brought to us, or applied voluntarily, 509 being boys, and 184 girls.

Their ages were,	under ten years ...	214	693
	ten years and over	479	
Parentage,	both parents dead	265	693
	one parent living	308	
	both parents living	120	

A wide area supplied some of these applicants, but with few exceptions they were found in their danger and need on our streets or in our immediate neighbourhood. Thus self interest, as well as the higher motives of human and Divine pity, prompted our aid.

Each of these cases was carefully investigated, with the following results:—

- 257 were permanently admitted, being found destitute or in grave moral danger.
- 213 were temporarily admitted for School Board or Police purposes pending investigation or remand, instead of being taken to the lock-ups.
- 32 received temporary admission, not connected with police.
- 40 restored to friends.
- 27 referred to other Institutions.
- 124 declined as unsuitable

Total **693**

Our chief concern in this statement is with those permanently admitted.

These 257 cases were divided as follows:—

- 54 .. to Central Refuge
- 12 .., Working Lads' Institute
- 57 .., Brigade Boys' Home
- 19 .., Emigration Training Home
- 67 .., Cheetham Hill Homes including Bethesda
- 48 .., Shelter

and being added to the 419 in the Homes when the year began, give a total of **676** under care and training during 1899.

The results concerning these at the year's close are as follows:

TABLE OF RESULTS FOR 1899.

Placed in Situations away from the Homes but in the United Kingdom	40
Placed in Situations in Canada	42
Placed with or restored to friends	100
Placed in other Institutions	21
Left without cause	22
Died	7
Leaving retained under our care and training in Refuge and Branch Homes	444

676

While the 444 who remained in the Homes have formed, and continue to form, together with those subsequently admitted, the daily care of our various heads of houses, the 203 who went forth from us were neither lost sight of nor forgotten; this will be seen from the pages of *The Children's Haven*, which is regularly forwarded each month to all subscribers; these pages give from time to time the subsequent story and frequent letters of many of these, as well as of some who went forth in previous years.

It will be manifest that as these numbers increase year by year, the work of keeping up an interest in them, and an influence over them, must increase enormously; the time and work thus involved, is one of the unrecorded labours of each year, which no figures can tabulate, but one which nevertheless bears rich fruit, and may on no account be omitted. But whatever the correspondence or the personal intercourse throughout the year with our former inmates may be, they are all remembered at Christmas. For many years it has been our custom to send a personal letter, accompanied by the motto card for the year, to every boy and girl who has been in the Homes, and whose address we have whether at home or abroad; it keeps up the family idea on which they have been brought up; the children have left the old parental roof but they are not forgotten, they are not waifs drifting to and fro on life's sea, they have an anchorage, they have a home to which their eyes and their hearts turn, and know that they are thought of and cared for there. The labour involved in preparing and sending forth some thousands

of letters each Xmas is considerable, but we can trace to it the happiest results.

It will not be necessary to say much respecting the special work of each branch or to give specimen cases illustrating that work; previous reports have done this. A word or two respecting each division will suffice.

Central Refuge and Workshops.

Strangeways.

This continues the head-quarters. A family of 112 boys dwell here, chiefly those of working age, who are engaged either in outside situations or are apprenticed in one or other of the five workshops, the busy hum of which is heard on every side.

To this place come most of those who seek admission or help, no day or night passes without some applicants being found in the waiting room or lobbies, and their numbers are only equalled by their variety. The inner life of this central Home is bright, active, and happy. In the intervals of time during the day the large central yard is alive with out-door games, a comfortably fitted Reading Room and Games Room is provided for those of quieter tastes, music, either Brass Band, Handbell Ringing, or Musical Drill goes on some evenings, while Bible Classes, Educational Classes, and Band of Hope occupy the other week evenings. Over all this Mr. and Mrs. Wood, the excellent superintendents, happily preside, aided by an efficient staff, and by voluntary workers, and to them is due the excellent spirit which prevails, and which proves most encouraging to new admissions.

The Workshops.

The five Workshops,

Shoemaking,	Joinery,
Tailoring,	Letterpress Printing,
Firewood Making,	

find employment for 69 boys who are regularly apprenticed to their trades. Each shop is in the hands of a competent foreman. They have been kept well employed throughout the year, with the result that after charging against each shop the cost of material, foreman and boys' wages, and share of working expenses, there was a net profit to the Institution of £357 2s. 4d.

Working Lads' Home and Institute.

This most comfortable Home for working lads and young men has received 35 such during the year. It is chiefly occupied by those who in early life have passed through the Refuge. It offers to them and to others, who may have no friends in our city, just what they need—a safe home under comfortable and healthy surroundings, and with a large amount of liberty. Each youth has full board, a separate cubicle, use of comfortable Sitting Room, News Room, Games Room, Bath Room, and Gymnasium, etc., at a cost of 10/- per week inclusive. In special cases a reduction is made.

The Brigade Boys' Home

has had 92 boys under care and training during the year, now chiefly of school age.

As the Committee thought it wise that the Shoe Black Brigade, formerly dwelling here, should not be composed of boys dwelling under our roof, employment in our workshops was found for them, and a new outside

brigade formed, having its head-quarters at Chatham Street, from which it goes forth each morning.

Boys' Emigration Home,

which completes the Strangeways group, has had a total of **46** boys under care and training, chiefly of school age. A certain proportion of these who are physically suitable and hopeful in character, together with others from the adjoining homes, will go forth in the Spring under the care of Rev. Robert Wallace, to farm homes in Canada. The remainder and larger number will be trained to fill useful situations at home.

We must here express our great indebtedness to Dr. Boutflower, for his constant and valuable services at these Strangeways Homes, which he visits twice or oftener every week; also to Dr. Walker, whose services are likewise always available.

Leaving Strangeways, we now go to

The Open Day and Night Shelter,

which is situated in the heart of the city, where no less than **520** children of all ages, (in the case of girls up to 18,) and in all conditions, have been received during the year. **This Door is never shut** and the nature of the cases and their needs may be judged by the fact that 199 of the total number were brought in by the police and others between 10 o'clock at night and 4 o'clock in the morning! but whatever the hour, Mr. and Mrs. Taylor's help in washing, feeding, and caring for the little weary wanderers, or the wayward and erring ones, is promptly and freely given.

The Shelter, Chatham Street, Piccadilly.

Open Day and Night.

The importance to the whole community of this immediate "place of safety," with open doors day and night in the very heart of the city, for helpless, cruelly treated children, and for girls up to 18, who from whatever cause find themselves friendless, or in grave moral danger on our streets cannot be over estimated, and cannot be too widely known. Did time and space permit we could give many touching illustrations of this from last year's cases. In addition to the wandering children from our own city and neighbourhood, this shelter has indeed proved a haven of rest and of safety to friendless girls from country homes who have been led to our city by the alluring advertisements of Registry Offices.

The Society for the Prevention of Cruelty to children, the Police and the School Board authorities have used this branch largely throughout the year, and thus many young lives have been saved from the contamination of the police cells.

The Cheetham Hill Homes,

Ten in number next claim a word. Quite a little colony exists here with numbers as large as at Strange-ways, only more sub-divided, and so the family principle can be more truly carried out. They have provided for a total of 286 children during the year. First in order come the

Seven Orphanages

for fatherless and motherless children—boys and girls

The Langworthy Home, girls.	The Higgins Home, boys
The Garnett Home, boys.	The Atkinson Home, boys.
The Crossley Home, boys.	The School Girls' Home, girls.
The Convalescent Cottage.	

Each house is under the care of a separate mother and a very real and natural family life is lived. The mother, the helper, and 16 to 18 children dwelling together as one family.

Adjoining these is the

Girls' Training Home and Laundry—Rosen Hallas.

At this well known Home 68 girls varying from 10 to 18 years have been dealt with during the year. About one half of these are of school age, and attend St. Mark's national school; while the other half are receiving a very efficient training for domestic service either at home or abroad. Each girl has her regular share in the various departments of household service, and a certain number being given a complete training in laundry work, with the result that instead of having to send the washing for the Cheetham Hill Homes to a public laundry at considerable cost, the chief part is done every week by the Rosen Hallas girls, thus a training to them and a large saving to the Institution.

A small band from this Home will sail for Canada early in May. The Committee much regret that Miss Smethurst's health does not allow of her taking them out this year, and other arrangements must be made: they earnestly trust that the rest and change which our medical officer has ordered may result in her complete restoration to health, and early return to the much loved and much blest work. The large demand existing for our girls at home—far more than we can supply—would forbid us sending one away, nor should we do so if those we send had good surroundings here,

but long experience has taught us that in the case of some of our elder girls, if we are to complete the work of rescue it can only be done by entire separation from former surroundings.

Bethesda Home for Crippled & Incurables.

Forty children have been dealt with in this bright and beautiful Home during the year: admission is not by voting, but by application to the Secretary, who personally investigates each case, when the Committee admit the most needy and most suffering, who thenceforward, become the object of the tenderest care. Miss Owen who had been the matron from the beginning, was obliged to resign her post during the year owing to breakdown in health, the Committee much regretted her leaving and its cause, and follow her with every good wish. She has found a worthy successor in Miss Flora Campbell, to whom the children have attached themselves with great affection, and whom the Committee trust will be greatly blest in the work. The

Home for Neglected Motherless Children

has been full throughout the year, a total of 41 much neglected ones having been cared for.

We cannot pass from the Cheetham Hill group without again placing on record the debt the Committee owe to Dr. Rodger, and Dr. Fulton, the Honorary Medical Officers of these Homes, for their unwearied attention.

The Sea-Side Home, Lytham. This Home has received 227 weak and ailing children, chiefly girls, throughout the year, who have had an average stay of

14 days under the motherly care of Mrs. Hindle. In most cases the pale faces going down, returned with the glow of health. The Committee much regret that a serious illness removed the esteemed Mother of this Home, for six weeks from the work. She has now returned they trust 'ere long to be quite restored.

The Summer Camp at Birkdale, has had a record year giving **1725** boys from the poorest parts of our city a week's holiday under canvas.

The Messenger Brigade, to which has recently been added the Shoe Black Brigade, has given useful employment to **192** boys who probably would otherwise have drifted on to the streets, 46 of whom were drafted into permanent situations.

The Police Court Mission dealt with **46** elder lads, chiefly first offenders, who were referred to our officer by the bench, and who were helped in various ways according to their need.

The Prison Gate Mission has continued its beneficent work throughout the year, under the direction of Mr. Horne and the other workers in the Gt. Ducie Street homes, assisted by a Sister from the Central Hall and the City Mission, whose co-operation is much valued. The numbers who accepted the invitation to the simple breakfast at the Mission Hall, prepared by seven o'clock each morning, winter and summer, were men and boys **5111**, women and girls **3096**, or a total of **8207**. Of these **1272** voluntarily signed the temperance pledge, and many were helped by lodgings, employment, clothing, being provided in their hour of need.

Finances.

The financial position of the Institution has been one of concern to the Committee throughout the year, which opened with an adverse balance of £1549 8s. 10d. This was gradually increased as the months passed by until in the early Winter it was seen that the probable indebtedness at the end of the year would be some £3,500 unless special help was received. The cause of the deficiency did not arise from diminished interest in the work, for never had the Institution a larger number of subscribers, but rather from the fact that a number of large contributors, owing to death and removal from Manchester, are no longer in our lists, a loss which has been sadly felt the last few years. The Committee are glad to testify that economy, having regard to efficiency, has been carefully exercised by those in charge of the various branches and departments, and also to gratefully acknowledge the prompt, hearty, and generous response, to the appeal in the month of December, from a large number of friends. Never had we such a number of contributions in any one month, and the words that accompanied them have been a strength and encouragement never before experienced. These with a legacy which unexpectedly came at the year's close, reduced the debit balance to £449 6s. 7d., a cause of much thankfulness.

In the matter of ways and means may we urge the importance of an effort among the friends of poor children to provide against the recurrence of anxiety as to finances. First, we would appeal for payment of subscriptions in the earlier part of the year; second, for an increase of amount in individual subscriptions; and

third, for an extended list of subscribers. We feel sure friends *could* help us in these ways, and that they *would* do so if they realised the supreme importance of the work which is being done for the community, for the children, and for the extension of God's kingdom. It is important that those who are heavily weighted with the burden of the work day by day, should not have the added care of financial anxiety.

Since the beginning one of the fundamental principles has been that of Self Help, and we may be allowed to point with pardonable pride to the noble effort made by the children of working age towards self maintenance resulting this year in the large sum of £2,625 15s. 3d., or about one-fifth of the cost of the whole Institution. Not only those who dwell in the Homes thus contribute, but the free-will offerings of those who have gone out into the world steadily increase each year, last year being the largest yet known. This is surely an eloquent plea for that additional help which is needed.

Closing Words.

And now we must close, leaving much unsaid which would be full of interest to those who are thoughtful about the future of our country, and who have hearts to feel for its future men and women; few even of the oldest subscribers realize the marvellous change which has been wrought in some of the darkest and apparently most hopeless lives which our city has ever seen. Representatives from Strangeways are found in most lands as well as at home; some are ministers of the Gospel, others are Doctors, some are Lawyers, while others

once rescued from darkness and sin, are themselves the head of Rescue Homes and seeking to win others. Truly the days of miracles are not past. In the silent quiet work of the Homes—

“God's Miracles are being wrought.”

To Him be the glory, while ours is the blessing.

The Committee send forth this report with deep thankfulness, and with the earnest prayer that it may deepen the interest of the whole community in this work for God and for the Country, and call forth its increased sympathy and support.

On behalf of the Committee,

LEONARD K. SHAW, *Hon. Sec.*

*Strangeways, Manchester,
May, 1900.*

ADDENDA.

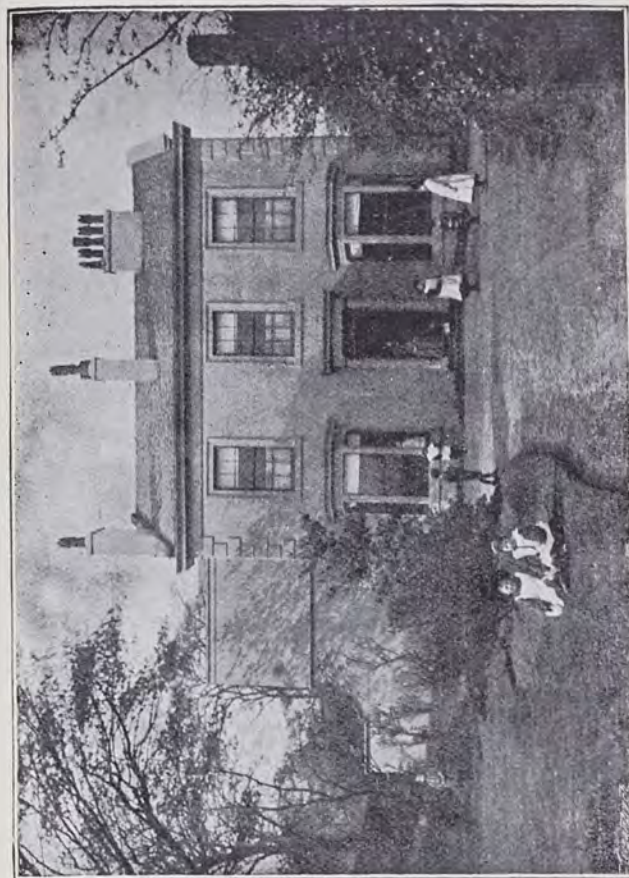

In sending forth this report the Committee desire to record their deep obligation to the Honorary Solicitors, Messrs. Farrar & Co., and to the Honorary Medical Officers, Doctors Boutflower and Walker, Strangeways; Doctors Rodger and Fulton, Cheetham Hill; Doctors Barlow and Fisher, Lytham; for valuable services rendered during the year.

Their thanks are also due to Mr. W. Simms as Dentist; and to Dr. Ledward and Dr. Young, who have again been exceedingly kind in connection with the work at the Summer Camp, and the Children's Shelter respectively.

To the authorities of the Salford Royal Hospital, they tender hearty thanks for prompt admission and careful tendance to several cases. Also to the governors of the Thos. Porter Equipment Fund for generous help towards outfitting children who pass out to situations.

To the ladies and gentlemen acting as Collectors, Teachers of the Sunday and week evening Classes, members of working parties, and also to those who carried to a successful result the Annual Sale of Work, they desire to express very warm thanks.

And to all, who by their generosity, their active service, or their loving, prayerful sympathy, have contributed to the success of the Work, the Committee tender their thanks, not forgetting the continued devotion of the regular staff, upon whose loyal co-operation so much of the good attained has depended.

TETLOW GROVE HOUSE, Cheetham Hill,
For Neglected Motherless Children.

MEDICAL REPORTS, 1899.

(CENTRAL REFUGE AND GREAT DUCIE STREET HOMES.)

I consider that we have had no more than the average rate of sickness at the Refuge and adjoining homes during the past year. We have, I am sorry to say, to record two deaths, one occurring at the Emigration Home very suddenly.

My one source of trouble year after year, is the inordinate number of cases of Pneumonia. I am wholly unable to account for it, but this serious and dangerous complaint seems to be always with us, otherwise our health is far above the average in institutions of this nature.

I am entirely satisfied with the sanitary arrangements, feeding, and clothing. And we have been entirely free from all infectious diseases.

ANDREW BOUTFLOWER,

April 11th, 1900.

Honorary Surgeon.

(CHEETHAM HILL HOMES).

The general health of these homes has not been quite so good as during the previous twelve months. This refers more particularly to the everyday or trifling ailments. Two cases of Diphtheria appeared in Tetlow Grove House. Prompt measures, however, prevented any extension of this treacherous disease. Influenza seemed to find the little inmates of Bethesda suitable subjects for attack; but fortunately all the cases proved very mild. Measles of a mild type affected two children in No 2 Home, and Whooping Cough ran a normal course in some five cases. Pneumonia was limited to three cases this year, and all of them did well. Of Accidents the most serious was a fractured elbow.

Death claimed one little sufferer from Bethesda, and another from No. 12 Home; the former dying of Caries and Phthisis, and the latter of Heart Disease and Chest Complications.

All things considered, the results attained reflect great credit on the management of these Homes.

HOW TO HELP THE WORK.

Write to the "Secretary," Francis Street, Strangeways, for a

COLLECTING BOX

and collect what you can by December 31st. We have very pretty boxes.

Or, if you prefer,—

ASK FOR A COLLECTING CARD

and one will be sent by post.

If you think you can collect £15 to support a child, or £12 to cover the Emigration expenses of one child, write to the Secretary, and he will send you the photograph of one. It would be a happy thing to feel that you were thus the means of the rescue of "one such little child."

Or, send us any article that you can spare, and that can be turned into money for the benefit of our work; such as jewellery, pictures, articles of vertu, &c.

Last, but not least; when you see or hear of a poor, wretched, neglected child, don't give it a copper and pass on; stay a minute and enquire into the case, and if you cannot bring it to the Refuge, send us the name and address, and the case shall be visited and, if possible, permanently helped.

Above all, when enjoying the comforts of your own happy home, breathe a prayer for poor homeless children, and for those who are working among them.

LEONARD K. SHAW, *Hon. Sec.*

GIFTS.

Donations of Clothing, new or second hand, or of useful articles of any description, will be most thankfully received. As the children, from three to sixteen years of age, both boys and girls, come to us needing everything, there is hardly any limit to the way in which the work can be helped forward.

£200 per week required to carry on the various operations of the Institution.

Form of Gift of Freehold or Leasehold Property.

[May now be given by Will to a Charity under Statute 54 and 55 Vic. cap. 73.]

I give to the persons who at the time of my decease shall be the property Trustees of the MANCHESTER AND SALFORD BOYS AND GIRLS' REFUGES AND HOMES AND CHILDREN'S AID SOCIETY established in Manchester, my freehold [or leasehold] property consisting of [shortly describe it] situate at in the county of free of succession or legacy duty [which duty I hereby direct shall be paid out of my general estate] and I direct that such property and all moneys arising therefrom shall be applicable for the general purposes of the Society.
