

Communication

Our class story is The Little Red Hen by Lesley Sims

We look forward to exploring this story through sensory experiences.

Creativity – Art

Mark making through fruit and vegetable prints.
Carving our own designs to create our own pictures.
Landscape pictures made with elements we have collected from outside.

My World – Science

We will be exploring the world of fruit and vegetables by growing our own foods from seeds, observing changes over time, 'dissecting' plant parts and discovering new food textures through play.

Understanding Me and My Relationships

We will focus on understanding our emotions through extending our vocabulary for feelings and emotions and discussing/ trying out activities which improve our mental health.

My World – Humanities

From farm to fork, over this half term we will be learning about the journey our food takes before it lands on our plates.

Creativity – Music

We will continue to explore pulse and rhythm using percussion instruments whilst enjoying singing and playing along to the songs 'Old MacDonald' and 'Banana Rap'

My World – Food Technology

Explore and experience food and farming: Fruit, vegetables, meat, eggs, fish, cheese.

Reasoning

Every day has a specific skills focus that we will develop through our topic.

Monday: Number and Place Value

Tuesday: Addition and Subtraction

Wednesday: Length and Height

Thursday: Weight and Measure

Friday: Real Life Maths

Physical Development

We will be making the most of the ever improving weather by practising ball skills on the field.
