How the 50:50 lottery works

For £1 a month, you get one draw entry. The more draw entries you buy, the greater chance you have of being a winner and the greater the prize fund!

At the Together Trust, we deliver individual care, support and education services across the North West.

it's easy to join, just visit the website to sign up.

- On joining you are allocated one draw entry per £1 stake which is entered into each month's draw. The draw takes place on or around the 4th day of each calendar month.
- New direct debit instructions must be received by the 19th of the month in order to be activated in time for the next draw. Direct debits will be taken on or around the 1st of the month.
- 50% of the lottery income supports our work and 50% is to be won.
- You are free to cancel your direct debit at any time and withdraw from the 50:50 Lottery. Please refer to the direct debit guarantee and let us know in advance.
- Prize winners will be notified within 10 days. The winning numbers of each draw will also be posted on the Together Trust website and social media.
