Qualifications gained by students at Inscape House School 2019

Students at Inscape House School have opportunities to work towards a range of qualifications that will best prepare them for their next steps in life. In our drive to ensure students achieve their potential, teachers map a qualifications pathway that is appropriate to their capabilities and to their future plans. It is essential for student's wellbeing and self esteem that qualifications are both a challenge and achievable to an individual. This way progress is made and achievement is secured. We balance this carefully with knowing each students anxieties when facing exam pressures and providing the right therapeutic support to help each student achieve the best outcomes possible. If students continue into Post 16, they will have opportunities to repeat their exams to achieve a higher grade. Pupils taking exams are in year 11, 12, 13 and 14

Qualifications and awards on offer include:

- level 3 qualifications – AS computing and Art, A' level Art, photography and Gold Arts award
