

### Qualifications gained by students at Inscape House School 2022-23

Students at Inscape House School have opportunities to work towards a range of qualifications that will best prepare them for their next steps in life. In our drive to ensure students conquer barriers and surpass expectations, we map a qualification pathway that is appropriate to their capabilities, interests, and future plans. It is essential for students' wellbeing and self-esteem that qualifications are both challenging and achievable to an individual. We balance this carefully with knowing each students' anxieties when facing exam pressures and providing the right therapeutic support to help each student achieve the best outcomes possible. If students continue into Post 16, they will have opportunities to repeat their exams to achieve a higher grade. Pupils taking exams are in year 11, 12, 13 and 14. Occasionally some students will be entered for qualifications in Y10, this is to alleviate the anxiety of multiple exams in Y11.
