

Communication

We will be exploring weather through sensory stories.

Daily we will have a different weather focus, which will be revisited weekly.

My World – Science

Exploring the seasons and the different weather each season brings.

We will do this with dressing up, exploring different weather conditions and sensory play.

My World – Humanities

This half term we will explore shadows. We will look at how shadows are created and how they change.

Reasoning

We use lots of opportunities throughout the day to develop key skills in:

Number
Thinking and problem solving
Functional time
Space Shape and Measure
and
Construction/ building

Creativity – Music

In music we will be exploring the sounds of the weather. We will do this through exploration of rain sticks and bells.

Understanding Me and My Relationships

This half term we will focus on developing strong, trusting relationships with the staff team. We will also have a strong emphasis on routine and exploration of the new classroom environment.

Additionally, we will focus on personal hygiene, for example hand washing.

Creativity – Art, Design & Technology

We will explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function with logs, pebbles, sand, mud, clay and other natural materials.

My World – Food Technology

Marshmallows, mashed potatoes and angle delight are just some of the examples of foods we will be exploring as part of our topic.

Physical Development

We will be starting to develop our gross motor skills out in the community by visiting our local park.

This gives lots of opportunity to move in different ways with lots of equipment to explore.
