

Communication

This half term we will be exploring our families. We will do this by making playdough figures of people and following staff model and visuals to add facial features.

We will also access the library once weekly. Interacting with stories through sensory stories. Children will also attend Attention Autism sessions with Speech and language therapist.

Creativity – Art, Design & Technology

We will explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function with logs, pebbles, sand, mud, clay and other natural materials.

My World – Science

This half term we will explore different items that float through water play and sweeping autumn leaves with different resources, developing gross motor skills.

Understanding Me and My Relationships

This half term we will continue to develop our personal care skills. We will do this through daily hand washing and teeth brushing. Children will also explore dress up resources for those in the community who help us.

My World – Humanities

We will have the opportunity to explore different cultures in the United Kingdom. Looking at different foods, activities and flags from England, Scotland, Wales, and Northern Ireland.

Creativity – Music

Children will explore different music from around the United Kingdom.

My World – Food Technology

We will be exposed to lots of different foods and ingredients from our local and wider community.

Reasoning

We use lots of opportunities throughout the day to develop key skills in:
Number
Thinking and problem solving
Functional time
Space Shape and Measure
and
Construction/ building

Physical Development

Children will continue to develop their gross motor skills out in the community by visiting our local park. This gives lots of opportunity to move in different ways with lots of equipment to explore
