

Communication

This half term we will be reading books on the theme Moon Zoom

My World – Science

This term we will be exploring the theme of space and the solar system.

Creativity – Music

Pupils will listen and respond to musical motifs from various films and TV programmes with a space theme. They will continue to explore an increasing amount of musical instruments, developing turn taking skills and curiosity.

Reasoning

We use lots of opportunities throughout the day to develop key skills in:
Number
Thinking and problem solving
Functional time
Space Shape and Measure
and
Construction / building

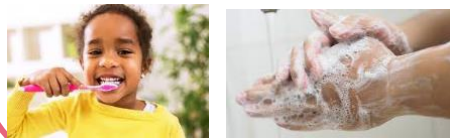

Creativity – Art

This half term we will be creating artwork of space.

Understanding Me and My Relationships

This half term we will continue to work on practical personal care. These will include washing hands and cleaning our teeth.

My World – Food Technology

This half term we will be exploring the topic Moon Zoom. We will be creating space themed foods including sausage rockets, salad stars and space snack boxes. We will be focussing on and developing skills of following the recipe, cutting, mixing, weighing and measuring ingredients.

Physical Development

During this half term the students will work on alerting / organising and calming motor skill activities to help self-regulation.
