

### Communication

This half term in communication we are looking at writing descriptions of locations, as well as reading books around the subject of castles.

### My World – Science

This half term we will be looking at which animals live what habitat and why.

### My World – Humanities

RE: We are studying Jewish festivals which are taking place at this time of year, such as Rosh Hashanah and Yom Kippur.

Geography Amazing structures around the world; Towers and bridges in the local area.

History Castles and castle life; Significant individuals – Isambard Kingdom Brunel.

### Reasoning

We are studying how to measure amounts of everyday foodstuffs, as well how to use these accurately and determine which measure is most appropriate for the task.

### Creativity – Art

We are creating artworks using different materials around the theme of castles.

### Understanding Me and My Relationships

We are looking at ways to express our feelings appropriately.

### Creativity – Music

This half term we will be learning to recognise high and low pitches and long and short notes by using Boomwhackers and other pitched percussion. We will also be building structures on drums and performing rhythms to try to topple or maintain the structure.

### Physical Development

We are playing games together as a class in PE.

### My World – Food Technology

We are looking at different structures of food, including trifles, cakes and pancake stacks for the topic towers, tunnels and turrets.
