

Mediation meeting

Mediation meetings help people to get the best help they can in school.

At your mediation meeting we will listen to each other and take turns to talk about:

- Things/people that are important to you
- Things you like
- Things you don't like
- How we can support you to learn and to be safe and happy in school

You can tell us **who** you would like at the meeting

You can let us know **what** you want to talk about

We will let you know **when** and **where** the meeting will be
