

### Communication

This half term our topic is **Beachcombers**, we will be writing postcards looking at beach scenes.

### Creativity – Art

We will be combining the class theme of 'postcards from the beach' and pattern to create motifs that can be used to make repeated pattern. Inspiration will be taken from images from nature, wildlife, buildings and postcards.

Artists being looked at include William Morris, Voysey, Celia Birtwell, Sarah Morris and 'The great wave off Kanagana' by Katsushika Hokusai

### My World – Science

**M** In science we will be looking at Earth in space and other planets. We intend to create a physical representation of the solar system so students can gain a better insight into its make-up and scale.

### Understanding Me and My Relationships

**We are looking at the life journey of humans from baby to an adult. We will be looking at some of the physical changes that take place during this period.**

### My World – Humanities

This half term we will be investigating and exploring all things beach related. From what we see at the coast and why it is shaped that way to what we do at the seaside.

### Creativity – Music

Pupils will listen to and learn to play songs and sounds of the summer. They will create sound effects to represent sounds heard at the beach and use virtual and real instruments to learn some summer Pop classics!

### My World – Food Technology

This half term we will be looking at foods you eat at the beach. We will be creating different recipes including fish and chips, pasties and hot dogs focusing on different skills such as cutting and rolling.

### Reasoning

**We will be looking at numbers and money. We will build on understanding of using and calculating money.**

### Physical Development

**We are playing rounders in PE. Working on our hand and eye coordination skills as well as our ability to work effectively as part of a group.**
