Working Towards Independence.

Inscape House School | TOGETHER TRUST

Students work on the ASDAN Towards Independence acceditated modules in all sessions. Students will develop their independence skills by practising their functional literacy, numeracy and self-help skills in a range of class-based and community settings. Students will choose, plan, research and resource equipment and ingredients to follow a recipe or enterprise project. Students will undertake a weekly work experience placement, in college or externally. Students will research, budget and plan for all sessions - this will include using timetables, maps, shopping lists and a range of payments. Students will have the opportunity to embed their learning through attending a range of events in school and in the wider community.

Education and Employment
Speaking and Listening: In my centre

Maths
Number: Eneteratining: Making drinks/drink order

Employability/ Work related
Work related activities

Enterprise/Creative studies
Different tools

Out in the community   Trips out

Performing Arts
Making rhythms / playing percussion instruments
