# Inscape Post 16 Qualification Landscape Overview

Level of Qualification	<b>Curriculum for All (Basic Skills – Personal, Social, Employability PSE)</b> All students will have these subjects on their timetable as part of our core offer		<b>Work Experience</b> Work experience offers for students accessing this level		Likely destination leaving education at this Level -->	<b>Post 19</b> Specialist Provision
Level of Qualification	<b>Qualifications for All</b> These are Qualifications we aim for all of our students to achieve by the end of their time in P16		Work experience offers for students accessing this level		Likely destination leaving education at this Level -->	Specialist Provision Supported Internship
Level of Qualification	<b>Academic Progression Qualifications</b>	<b>Technical Skill and Qualifications</b>		<b>EEC</b>	<b>Digital</b>	Likely destination leaving education at this Level -->
Students can choose either the Academic or Technical Skills pathway.  As we provide 3 years of P16 education, a student can trial a pathway for a year and change their mind in the second year.	<b>Maths and English are bold here as most students on both the Academic and Technical pathway will progress onto GCSE level in these subject areas</b>  A List of Subjects we can offer at a GCSE level. Students on the Academic pathway still have access to work experience in their area of interest.	<b>Engineering/ Environment/ Construction</b>  Qualifications and external experience we can offer in this area.	<b>Digital</b>  Qualifications and external experience we can offer in this area.
