

You can get information advice and support:

If you are aged 16 to 25 and have a special educational need and/or a disability.

You can come to us if you want some help with school, college or training, health services or care and support.

You do not need to pay for our help - it is a free service.

We will support you to make decisions. We will not tell you what to do. We will not take sides.

We will give you the information and support you need to make your own choices.

information

support

Our service is confidential.
That means our meetings will be private.
We will only tell people what we talk about if you say it is ok.

private

We also need to tell someone if we think you are in danger of being hurt.

hurting

If you would like a parent, carer or a friend to help speaking to us then that is OK. It is up to you.

parents

care giver

If you are under 16 years old, then we will work with your parents, carers and you.
